

Dear Sir/Madam,

Dear Colleagues,

It is our honour to invite you, together with the Organisers (Polish Society of Theoretical and Applied Mechanics and the Faculty of Mechanical Engineering of Wrocław University of Science and Technology), to the third IRAS scientific conference (11-12.09.2025) in Wrocław.

The previous two editions were held in Porto (2019) and Belgrade (2021), providing an excellent opportunity to meet the TC12 ESIS Technical Committee. The current edition is orientated towards reliability and failure analysis of materials and structures. The conference topics are aimed at researchers, people from industry involved in structural mechanics and reliability theory.

The conference will be held under the auspices of ESIS and under the honorary patronage of the Rector of Wrocław University of Science and Technology and the Dean of the Faculty of Mechanical Engineering.

Visit our website to register and submit your paper.

iras2025.pwr.edu.pl

Remote participation is also possible. The abstracts will be published in a book of abstracts published by Wrocław University of Science and Technology. Selected papers (full versions) will be available for publication in selected journals cooperating with the Scientific Committee (Elsevier, Springer).

See you in Wrocław!

Grzegorz Lesiuk

Chair of the 3rd IRAS
