

East Europe Conference on AM materials EECAM21

**Faculty of Mechanical Engineering, Univ. of Belgrade, Serbia
2-4 September 2021**

The Conference will be held in presence & online

Participation in the Conference is free!

A limited number of places is available (~max. 90)

Selected papers will be invited to be submitted for publication in one or more indexed Journals

The selection process for participating in the Conference will be based on the participant's country, with a preference for east European countries.

Participation of PhDs, post-docs and young researchers as well as women will be especially preferred.
