

# 12th Annual Conference of Society of Structural Integrity and Life (DIVK12)

November 17-19, 2024, Belgrade, Serbia

[www.divk12.com](http://www.divk12.com)

[conference@divk.org.rs](mailto:conference@divk.org.rs)

Dear colleagues and friends,  
We invite you to participate at **12th Annual Conference of Society of Structural Integrity and Life (DIVK12)** organized by The Society for **Structural Integrity and Life „Prof. dr Stojan Sedmak“** in co-organization with **IMS Institute** and **Innovation Center of Faculty of Mechanical Engineering in Belgrade!** Conference will take place at **Faculty of Mechanical Engineering in Belgrade + online!**

Following thematic sessions will be covered by DIVK12 conference:

- Computational fracture mechanics (dedicated to Prof. Dr. Mladen Berković)
- Fatigue of engineering materials and structures
- Failure analysis and forensic engineering
- Numerical methods
- Risk analysis and safety of large structures and components
- Structural integrity of additive manufactured components
- Structural integrity of welded joints
- Data-driven methods and machine learning applied to structural integrity
- Hydrogen embrittlement and transport

**Special lecture** by Aleksandar Sedmak on Computational Fracture Mechanics will be dedicated to **Prof. Mladen Berkovic (1936-1999)**

## Keynote speakers

**Milos Djukic**, University of Belgrade, Faculty of Mechanical Engineering, Serbia

**Fillipo Berto**, Sapienza University of Rome, Italy

**Dorin Radu**, Faculty of Civil Engineering, Braşov, Romania

**Francesco Iacoviello**, University of Cassino and Southern Lazio, Department of Civil and Mechanical Engineering, Italy

**José A. F. O. Correia**, Faculty of Engineering of the University of Porto, Portugal

**Dragan Bojović**, IMS Institute, Belgrade, Serbia

**Bojan Međo**, Faculty of Technology and Metallurgy, Belgrade, Serbia

## Key dates

- 15. July 2024: Early bird registration**
- 15. September 2024: Abstracts submission**
- 30. September 2024: Abstracts notification of acceptance**
- 17-19. November 2024: Conference (Faculty of Mechanical Engineering + online)**
- 15. December 2024: Paper submission for Procedia Structural Integrity journal** (after the event; it is mandatory to use the template)

Registration Fee	before 15 July 2024	after 15 July 2024
DIVK member:	<b>€ 90</b>	
Regular participant:	<b>€ 220.00</b>	<b>€ 280.00</b>
Students:	<b>€ 120.00</b>	<b>€ 180.00</b>
Accompanying persons:	<b>€ 80.00</b>	
On-line participation:	<b>€ 130.00</b>	<b>€ 170.00</b>

*The Registration Fee covers attendance of sessions, one paper in dedicated issue of Procedia Structural Integrity (no limitation regarding submitted abstracts), lunches, coffee breaks, conference dinner and preprints of the abstracts.*
